### Verse 2

G

So I heard that you like to play around

C

But now you're looking to settle down

G

You say this time that you're gonna be faithful

F

So why do I see all your cards on the table

## **Chorus**

## **Chorus Instrumental**

## **Bridge**

                  G  
You ask me to think

                  C  
But I don't need to think about it

                  F  
I know your lifestyle won't allow it

                  C  
So you can leave

                  G  
You ask for a drink

                  C  
You take your whiskey by the bottle

                  F  
Quit playing Aristotle

                  C  
And just leave

## **Chorus x2**
