

## Back to the Drawing Board

### Verse 1:

It happened so fast  
But it is all in the past  
I tried to fix my mistakes  
But my world decided to shake

### Chorus:

Inner demons tearing me apart  
Breaking my feeble heart  
My last chance to prove my worth  
Showing that I am down to Earth  
Back to the drawing board

### Verse 2:

I feel betrayed  
But my fate is laid  
My past is coming back  
As my mind fades to black

### Chorus:

Inner demons tearing me apart  
Breaking my feeble heart  
My last chance to prove my worth  
Showing that I am down to Earth  
Back to the drawing board

Verse 3:

Now it's time for a new beginning  
And I know I'll be winning  
I will strive to keep on trying  
Instead of falling and crying

Chorus:

Inner demons tearing me apart  
Breaking my feeble heart  
My last chance to prove my worth  
Showing that I am down to Earth  
Back to the drawing board

Chorus:

Inner demons tearing me apart  
Breaking my feeble heart  
My last chance to prove my worth  
Showing that I am down to Earth  
Back to the drawing board
