

Learning How to Make Fabulous Colours with Acrylic Paints

Use the proper acrylic paint colours and fill in the following shapes—stay in the lines!

Primary colours!

Secondary colours!

Experimenting with Colour Mixing

Using more or less of one colour when mixing secondary colours gives you different colours.

Paint me **purple** but with more **blue** than red

Paint me **purple** but with more **red** than blue

Paint me **orange** but with more **red** than yellow

Paint me **orange** but with more **yellow** than red

Paint me **green** but with more **yellow** than blue

Paint me **green** but with more **blue** than yellow

Tones and Tints

Make shades using a bit of black, and make tints with a bit of white!

Tone of red

Tint of red

Tint of yellow

Paint me yellow

Tone of blue

Tint of blue

Teacher Notes/Prep:

1. Print and copy these two sheets on 2 pieces of card stock
2. Get these supplies together
 - Small paper plates with waxy top (lots)
 - Popsicle sticks (to dish out paint)
 - Acrylic paint (red, blue, yellow, white and black)
 - #8 paintbrushes (1 for each student)
 - Handouts on cardstock
 - Small cups for water
 - Paper towels
 - Drying rack space
 - Hard boards
 - Masking tape
3. Give each kid the handouts, a board, length of tape, brush (#8), small cup of water, small paper plate (waxy top), piece of paper towel
4. Ask them to tape their 2 handouts to their board.
5. While they are doing this, your own supplies together and get ready to do the demo (board, 2 handouts taped down, brush, water, paper towel, plate with 5 colours on it)
6. Have them all come up and watch your demo—do page 1 first, call them up for another demo halfway through class (after walk and talk time)
7. Give out the paints 1 table at a time.
8. Assign kids jobs for clean up:
 - Put painting boards on the dryer rack — everyone does their own
 - Brush collectors— 1 per table (give them to the 2 brush cleaners)
 - Brush cleaners and counters—2 people
 - Water dumper—1 per table
 - Table Washer—1 per table
 - Paint plate thrower outer (and salvage any you can) - 1 per table
